Dear Sir:

This paper is being submitted in response to the Notice of Non-Compliant Amendment mailed October 4, 2006. The Notice of Non-Compliant Amendment identified a single basis for non-compliance in that one drawing was missing a status identifier. In response to the foregoing Notice, applicant hereby submits a new drawing sheet, properly identified as "Replacement Sheet."

In view of the foregoing, entry of the Response A filed on September 29, 2006 together with the new drawing sheet is requested.

Respectfully submitted,

Date: November 3, 2006
